"The FTSE indices are one of the most visible and well-tracked index families in the world. Being included in this marquee equity index series is a tremendous honor and validation of the inspiring journey I-Mab has travelled since its IPO in January 2020," commented Mr. Jielun Zhu, Director and Chief Financial Officer of I-Mab. "This significant capital market milestone marks the third flagship equity index series I-Mab has been added to, following its inclusion in the NASDAQ Biotech Index in December 2020 and the MSCI China All Shares Index in May 2021. Our recent interim corporate updates have demonstrated that we are not only making rapid progress advancing our deep and highly innovative pipeline globally, but are also well on our way to grow into a fully integrated biopharma company in the next few years. We are extremely excited to share the fruits of our future success with our shareholders."
